Dear Stuart and all at UFindUs

Re: The Loyne School – Specialist School Bid

On behalf of all the staff and pupils here at The Loyne School I would just like to say a big thank you for your kind donation towards our specialist school bid.

It now gives me great pleasure to inform you that we have just heard that our bid has been successful, and we are to receive specialist school status in cognition & learning.

The specialist school status will make a wonderful difference to all our pupils, and this certainly would not have been possible without your support and sponsorship. To organise the charity night and raise so much money in one night was just tremendous, and again I am so sorry that I missed it. As well as the obvious benefits of the monies raised it was also an amazing social opportunity for pupils and their families.

Please feel free for either yourself or anyone at UFindUs to visit school at any time.

Kind Regards

Carol Murphy
